The musical score is written for a tenor recorder in 12/8 time. It consists of 15 staves of music. The key signature has one flat (B-flat). The score includes various musical notations such as eighth notes, quarter notes, half notes, and rests. There are several triplet markings (indicated by a '3' over a group of notes) and some measures with a 2/4 time signature change. Measure numbers are provided in boxes at the end of each staff, starting from 140 and ending at 295. The score concludes with a double bar line and a repeat sign.
